A journey into the mind of a child By MPWI Children's Letters to God, an inspiring journey into the mind of a child, is probably one of the best books this reader has ever read. In no other book could a reader learn so much and feel so much by reading just a few simple words on paper: Dear God, Can you really do everything? I wish I could too." Or, Dear God, Last week it rained three days. We thought it would be like Noah's Ark but it wasn't. I'm glad because you could on take two of things, remember, and we have three cats." This simple yet meaningful little book, filled with letters ranging from wise to naïve, should be at the bedside of every adult to be used as a refuge from a jaded world. If only a child could remain a child forever. 5 of 5 people found the following review helpful. A lovely, funny, wee book By Wendy This is a lovely, funny, wee book, Friends sent it to my husband when he was on hospice and I was struck by what a thoughtful little gift it was to receive at that time, more appropriate than a get well card... a nice way to say "We're thinking of you". I have borrowed their idea and now send it instead of a card or flowers. 1 of 1 people found the following review helpful. Great Book on the bedstead of a guest bedroom By Eric D. Johnson An insightful booklet of questions children ages 3-12 have written to God. Some are humorous, some are serious, all deepen our love for children all ages and faith in God.

Here is the unassuming little book that charmed its way up the bestseller lists and now has over 1.2 million copies in

print. This third edition of CHILDREN-S LETTERS TO GOD reveals again the surprising pleasures and provocations of what happens when kids decide to send a letter off to their maker. Whether posing a question, begging a favor, or expressing doubt or joy, these letters are notable for their refreshing directness, unexpected humor, and startling clarity of thought. It-s like seeing the world through a child-s bright eyesóeyes untouched by cynicism, eyes brimming with innocence, wonder, and curiosity.Selection of the Book-of-the-Month Club.
