I took it to the coffee shop for a 3rd date with a guy I met online and we had a hilariously fun time reading through it and choosing out own misery together. That guy is now my boyfriend. I attribute credit for part of that toward our adventure with this book. The only negative I have to comment is the fact that the Kindle version

seriously needs to be looked at and reformatted. 65% of the time, when tapping on the selected choice, it takes us to an entirely different page in the book. No bueno. 0 of 0 people found the following review helpful. Hilarious and engaging, a throwback to the choose your ...By daniel j. o'neill Hilarious and engaging, a throwback to the choose your own adventures I read as a kid, though this time instead of avoiding the monster in Goosebumps, you are navigating the horrors of the holidays and everything that might come with them. Highly relatable if you have a slightly morbid sense of humor, this has the feel of playing a game as much as reading a book. Advice: You don't know what Kwanza is, Kill the deer, and always drink more when given the opportunity. 0 of 0 people found the following review helpful. Enjoy another Choose Your Own Adventure this holiday season By Nicole Hysterical follow up to CYOM: The Office. Booze, sharts and tropical storm Menudo - it only gets better. My sister I laughed our way through many parts of this book -- hours of entertainment. I'm sending this book out to my friends so they can enjoy "playing" this book with their friends and families too. Dark surprises await you - pick up a copy to keep smiling throughout the holiday season.

From The Onion alum writers Mike MacDonald and Jilly Gagnon comes a hilarious choose-your-own-path story to ruin your holiday spirit. "Bah! Humbug! An ideal choice for holiday haters and readers who enjoy David Sedaris's hysterically funny take, *Holidays on Ice*." Library Journal This is the year you're going to do it: you're going to avoid Christmas completely! ...or you were, until your island getaway got washed out by a hurricane. Now you have to choose: should you spend the holiday with your shrewish sister and her Europhile husband, or endure your new girlfriend's family for a week? Help chop down a tree even though it might throw out your back, or endure the icy judgment of a woman who thinks only children and pussies help bake cookies? Jet off to the glamorous slums of Kingston, Jamaica, or accept the offer of a ride from a man who never stops smiling...and is probably going to turn you into a skin suit? From the writers who brought you the hilarious parody *Choose Your Own Misery: The Office* comes a second helping of misery with a festive twist. Christmas is full of fun surprises for kids, but for adults, it's just an endless series of aggressive crowds, overwhelming credit card debt, and pretending to like the people you're forced to spend it with. Once you unwrap all the holiday misery hiding in these pages, the blackness of your heart will rival any lump of coal. "I played this book thirty times and the happiest ending I got was one where I got to eat turkey with a badly burned hand. Seems about right. Hilarious every time." Ryan North, New York Times bestselling author of *Romeo And/Or Juliet*

"I played this book thirty times and the happiest ending I got was one where I got to eat turkey with a badly burned hand. Seems about right. Hilarious every time." Ryan North, New York Times bestselling author of *Romeo And/Or Juliet* "Tired of making decisions? Let me make it real easy for you. Choose to stay home at your next family holiday and, instead, read this book. You'll be laughing." Mike Sacks, New York Times bestselling author of *Poking a Dead Frog: Conversations with Today's Top Comedy Writers* "Bah! Humbug! An ideal choice for holiday haters and readers who enjoy David Sedaris's hysterically funny take, *Holidays on Ice*." Library Journal "[F]or former Choose Your Own Adventure fans and devotees of dark, dark humor." PUBLISHERS WEEKLY "[Choose Your Own Misery] joins Dilbert, *The Office*, and *Office Space* in the canon of storytelling about a circle of Hell so sinister and so insidious that even Dante wasn't able to imagine it." HUFFINGTON POST "In their rip-roaringly funny book, *Choose Your Own Misery: The Office Adventure*, the two Onion alums make a dark and decidedly adult play on beloved childhood "choose your own adventure" novels... [Choose Your Own Misery] may be the funniest book released this year." NEWSWEEK "Choose Your Own Misery: The Office Adventure is a bittersweet, brutal, and frequently hilarious twist on the childhood classics." NERDIST.COM "Hell, the only reason for going to work is to goof-off reading Jilly Gagnon's and Mike MacDonald's book, *CHOOSE YOUR OWN MISERY: The Office Adventure!*" E. Jean Carroll, former writer for SNL "Choose Your Own Misery: The Office Adventure [is] the most addictive, clever, and honestly hilarious decision tree you've ever read." Zack Bornstein, segment director at Jimmy Kimmel Live "Sorry, I've been spending every waking hour lost in your maddening madcap narrative labyrinth. I'll try to send a blurb for the book by the deadline!" Jamie Brew, Associate Editor at Clickhole "It's time for you to choose your own miserable adventure, just like you do every day of your miserable life, but now in hilarious book form!" Nate Dern, Head Writer for *Funny or Die* "Oh, how I laughed at this droll little book. Then, slowly but irreversibly, it filled me up with dread." Jesse Andrews, author the NY Times Bestselling *ME AND EARL AND THE DYING GIRL* About the Author Mike MacDonald and Jilly Gagnon have been writing comedy together for many years. Mike has worked for The Onion, founded his own Canadian satirical site, The Smew, and has been a journalist in Toronto and internationally. Additionally, he has written and produced sketch comedy television shows with one of the largest networks in Canada. Jilly Gagnon is a comedy writer, young adult novelist, and essayist. In the past her work has appeared in Newsweek, Elle, Vanity Fair, and McSweeney's Internet Tendency, among others. Since graduating from Harvard in 2006, she has been living in the Boston area, but she'll always be a Minnesotan at heart.
