CoutureIf you want smart writing debunking classic albums, look elsewhere. This is a genuinely irritating collection of attack snippets with no discernible point of view - empty, smug and pointless. Who is this book for? The meta-hipster tone is repellent.0 of 1 people found the following review helpful. Hilarious!By komelinaIt's a Chunklet production so you can't go wrong if you're looking for humorous music writing. Love this book, love Chunklet! Henry Owings is Wonderfully hilarious.

Since the early 90s, 'Chunklet' has mercilessly lampooned the music industry and is one of the most beloved reads for the hippest bands and music aficionados.

About the Author Henry Owings is a graphic designer and the editor and publisher of Chunklet Magazine.
