Meet Clary. She's just a normal teenage girl who keeps a guy in the friend zone to pay for her meals and take her to concerts but never hooks up with him. That is, until one day, when she realizes she can see them. Who's them? The Shadowhunters: a group of hot young guys and girls with weird tramp stamps who claim to fight vampires and demons, but seem to spend most of their time partying and figuring out what to wear. Can Clary help the Shadowhunters find the Mortal Keg before Valentine? Should she get her first tramp stamp on her ankle or her shoulder? Why do the Silent Brothers talk so much? Will Magnus Bane's party be cool or a sausage fest? Will Hodge ever realize that he's not a Shadowhunter and they just tell him he is so they can live in his sweet building? Find out all this and more in CITY OF BONEHEADS, the hilarious new parody of Cassandra Clare's City of Bones!
