1 of 2 people found the following review helpful. Nice Doodle Book By Livinda Christy Monica I liked the content of this book, it gives a brief story about every spot in Paris. This book brings us to imagine about those spots and also there's providing a nice drawing, but it's only a piece. Somehow, that's fun because we could draw by our imagination. 0 of 1 people found the following review helpful. Four Stars By Imjcountry Will use it when I go to Paris
