From Pelican Publishing : Civil War Limericks before purchasing it in order to gage whether or not it would be worth my time, and all praised Civil War Limericks:

Rhyme your way through the history of the Civil War. Generals, politicians, spies, and more played a significant role in the Civil War. Author and cartoonist Charles H. Hayes bares their strategic gaffs, political feuds, and daring deeds

in scathing caricatures. Accompanying each of the ninety-six images is an original limericks and a brief biography with details of the individual's role in the Civil War.
