There are some VERY funnie jokes inside, but you must leave your PC shoes at the door! Rude, Crude, not nice! but funnie!0 of 0 people found the following review helpful. Yes, it's crudeBy T BergerSeems like the cover pretty much explains what's inside. The jokes are very un-PC, but they're also by and large quite funny. As long as you're okay with violations against political correctness, you should enjoy this one.1 of 4 people found the following review helpful. Sick and wrong!By CustomerI would not

recommend this book to anyone, this is truly sick and wrong! joking about dead babies and child molesting to worse, I cant believe this would even be allowed to be sold. I was truly sickened and hurt by this book a Christmas present that will be thrown away.
