David Biggs : Classic Cocktails before purchasing it in order to gage whether or not it would be worth my time, and all praised Classic Cocktails:

Unlike trendy drinks that fade away into obscurity, these 33 concoctions have stood the test of time to become today's

most popular mixed drinks. Featured cocktails include those based on gin, like the Martini, Singapore Sling, and Tom Collins, while some of the rum-based drinks include the Zombie, Cuba Libre, and various Daiquiris. Still others utilize vodka, such as the Harvey Wallbanger and White Russian, or are brandy-based, including the Stinger and Steeplejack. No matter what their favorite cocktail, there's something classic here for everybody.
