Tabz Jones : Classic Swears Adult Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Classic Swears Adult Coloring Book:

Twenty five classic swears in a greyscale format for you to color away your stress! These swears have definitely been around the block for awhile and probably fall out of the mouths of somebody you know (ehemmn...) on a daily basis. They are designed in a variety of greyscale darkness for more variations when coloring. Black backgrounds work well with gel pens and markers while lighter backgrounds work with all mediums. So color them your way!
