**C. Thierry : Classical Ornament (Dover Pictorial Archive)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Classical Ornament (Dover Pictorial Archive):

Thierry is a reprint of a collection first published in Germany in the 1860s. There are 71 royalty free plates of line drawings of ornamentation. There are floral designs and animal designs. The designs are from ancient Greece and Rome. The designs are reproduced as line drawings in black and white. At around \$12, it's a cheap source for royalty free art. I liked it because it gave me a chance to study these sort of designs a bit closer. I admire the detail that went into this art. I received a review copy of this ebook from Dover Publications and NetGalley in exchange for an honest review. Thank you for allowing me to review this ebook. 0 of 0 people found the following review helpful. Classical Ornament by C. Thierry is a free NetGalley ...By Kristine

Fisher Classical Ornament by C. Thierry is a free NetGalley short, 74-page ebook that I read during an early January morning. This book had originally been published in the 1860's and I really thought it would be interesting to study for papercraft or even tattoo design, but....these Grecian/Roman curlicue shapes are more meant for plopping on a piece of wood or plaster.

This rare collection, originally published in Germany during the 1860s, presents a wealth of designs from temples and other buildings of ancient Greece and Rome. The seventy-one black-and-white plates include mythological creatures, floral borders, engraved columns and capitals, and many other decorative motifs, all rendered with the delicacy and precision characteristic of classical ornament. A valuable source of royalty-free illustrations, this compilation abounds in images that will provide a touch of authenticity to any graphic project related to ancient Greece or Rome. Fine art aficionados, crafters and designers, and collectors of classical art will rejoice in this inexpensive volume and its hard-to-find artwork.
