By Thea Kelly What a joy it is to read this interesting travelogue of two weeks in Russia, clowning with the famous Dr. Patch Adams! A journal organized around email and other correspondence, this book gives one a realistic day-to-day picture of what it is like to be part of an international group of clowns as they visit orphanages and children's hospitals in Moscow and St. Petersburg with

Dr. Adams. It is funny, sad, heart-wrenching and liberating, and makes me want to sign up for the next clowning trip to Russia! 0 of 0 people found the following review helpful. Worth Reading By Lee L'Heureux Insightful book

Whether you have already been, or want to go, on a Humanitarian Clowning Tour, this day-by-day trip journal will entertain and enlighten you with its informal, conversational and silly style. Clowns from many countries, aged 3 to 74, spent two weeks traveling from Moscow to St. Petersburg, meeting Russians. Our two missions on this 24th annual Russian tour were to become a close-knit troupe, and to visit children and their caregivers in orphanages, hospitals and home hospices. Patch's passion for universal justice, peace and healing humor were contagious. "Clowning brings love close." - Patch Adams, M.D.
