Tom Lang : Coffee: An Obsession Story before purchasing it in order to gage whether or not it would be worth my time, and all praised Coffee: An Obsession Story:

0 of 0 people found the following review helpful. made me quit, then start again, then quit, then.....By tsirkuI've read all of Toms books but Coffee is my favorite for a couple of reasons. I think i met Felipe when i was down in Nicaragua. I remember drinking coffee out of tin cans but the face has become a little fuzzy. Perhaps because of time or the continual addiction to caffeine, I just can't make up my mind. The other reason is the girl. Oh the girl. I can't recall her name but I used to date her. Then again, didn't we all ??A great read that is not only funny but educational, highly recommended0 of 0 people found the following review helpful. This Coffee never goes bad. By John FrenchI remember the first time I read this book, I could not stop either reading or laughing. Anyone who has ever craved a cup of joe will want to read, reread and share this hilarious tale of a man who must part with his most basic feature of his life - his coffee fix. The factoids flow like Stephen Hawking in caffeine withdrawal, and the tale is written like Tom

Robbins on smack with a library card. Enjoy the ride!0 of 0 people found the following review helpful. Not my mother's coffee (thankfully!)By PandoraNo wonder they're referred to as "Little Books, Big Stories"! Tom Lang's books confront life's everyday challenges with intelligent, humorous allegories. Every book is a treasure!

No coffee for 2 weeks? What's the big deal? We laughed and hugged and kissed. It didn't go well. --from Coffee: An Obsession Story

...a deliciously satirical tale... ----The OregonianA 'Days of Java and Roses" parody...59 hilarious pages. --Willamette Week...an engaging story and it has literary merit. The book is a little like espresso. It's small, tightly packed and full of flavor...as good as anything you find out of New York. --Doug Dutton, Dutton's Books Los AngelesA 'Days of Java and Roses" parody...59 hilarious pages. --Willamette Week...an engaging story and it has literary merit. The book is a little like espresso. It's small, tightly packed and full of flavor...as good as anything you find out of New York. --Doug Dutton, Dutton's Books Los AngelesAbout the AuthorTom Lang divides his time between Haines, Alaska and Bali. His books have been featured on National Public Radio and the Wall Street Journal. Since 1991 Tom has worked as a river guide and lecturer outside of Haines, Alaska in the Chilkat Bald Eagle Preserve, site of the largest gathering of bald eagles in the world. Tom's talks on nature are known for their humor and distinctive insight into the natural world.
