Norith Soth : Coffee With Satan (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Coffee With Satan (Volume 1):

Misogyny, homophobia, sugar, 9/11, propaganda, texting, automobiles, fast food, cinema, Christmas, Thanksgiving, the internet, corporations, money, bottled water... .. were devised by Satan to wreck humanity. According to the dialogue between the Devil and Norith Soth between September 2011 and January 2012. In this candid volume, Satan discloses why, revealing secrets about the process of evil, how easily people are misled, and how some campaigns of

evil, such as milk, took two thousands years to exploit.
