**Paul. D Brazill : Cold London Blues** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cold London Blues:

1 of 1 people found the following review helpful. One of the funniest books I've read for some time, definitely a 'laugh out loud' read. By Pat McDonald This is one of the funniest books I've read in a long time. My initial thought and expectation was to read a dark, gritty look at London's gang life, until I found myself laughing out loud. And what a refreshing style – at last!! – Here is someone who wants to tell it like they want to. The turn of phrase, the sometimes one liner's had me in stitches. He describes someone's aversion to heights: "He got vertigo wearing thick socks". I did

wonder if you had to be a certain age to appreciate all the references, but thought if anyone really needed to know there was always Google (my life line!)The style of writing is so good you almost forgot what the plot was about whilst reading it. With a body at every turn, even the violent scenes were amusing to imagine. This would make an excellent film of The Lock, Stock and Two Smoking Barrels type, maybe Guy Richie should be offered it!The characters names were brilliant, their descriptions, quirks and foibles excellently wrapped up in the style of this talented writer. Read it and weep with laughter.Pat McDonald British Crime Author1 of 1 people found the following review helpful. A strange mix of characters and great dialogue and descriptions in a nicely written narrativeBy Renato Bratkovi?When you grab a new book by Paul D. Brazill you never know what to expect - you do know, however, that you can expect a great deal of fun, excellent writing and funny characters. Cold London Blues is no different - a strange mix of characters and great dialogue and descriptions in a nicely written narrative won't let you go until you get to the last page. You'll find some great jokes, anecdotes and metaphors you'll use in your pub conversations with friends and after that you'll want some more Brazill.1 of 1 people found the following review helpful. It's PDB people--sit back and enjoy the rideBy Christopher RhatiganAn American celebrity's comic book collection is stolen and chaos ensues. That chaos involves seedy bars, flotsam and jetsam, and dark humor. It's PDB people--sit back and enjoy the ride.

A killer priest is on the rampage across London and an egotistical Hollywood action movie star is out for revenge when his precious comic book collection is stolen. Meanwhile, gangster Marty Cook's dreams of going legit swiftly turn pear shaped when one of his bouncers accidentally kills one of his salsa club's regular customers. Razor sharp wisecracks, gaudy characters and even gaudier situations abound in Cold London Blues.

From the Back CoverA killer priest is on the rampage across London and an egotistical Hollywood action movie star is out for revenge when his precious comic book collection is stolen. Meanwhile, gangster Marty Cook's dreams of going legit swiftly turn pear shaped when one of his bouncers accidentally kills one of his salsa club's regular customers. Razor sharp wisecracks, gaudy characters and even gaudier situations abound in Cold London Blues, a violent and pitch-black Brit Grit comedy of errors.About the AuthorPaul D. Brazill is the author of A Case Of Noir, Guns of Brixton, Too Many Crooks, and Kill Me Quick! His writing has been translated into Italian, German and Slovene. He has had yarns published in various magazines and anthologies, including The Mammoth Books of Best British Crime.
