**Julia Rothman, Leah Goren, Rachael Cole : Ladies Drawing Night: Make Art, Get Inspired, Join the Party** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ladies Drawing Night: Make Art, Get Inspired, Join the Party:

3 of 3 people found the following review helpful. Great book!By AnikaIdeas that Julia and her friends are sharing here are very inspiring and helpful if you want to run your own creative meetings with friends and like-minded people. She describes in details what materials you may use, what you may need for inspiration and she shares some pitfalls that you may have while running such nights.I have just moved to the city and I am looking for the ways to connect with other creatives here. I am planning to organize something similar very soon! :)4 of 4 people found the following review helpful. Five StarsBy CustomerGreat gift to encourage girl's night with my sister and Mom.22 of 22 people found the following review helpful. I'm not Julia Rothman and I don't live in a cool Brooklyn loft and I'm not friends with Mary Kate ...By Ana ReinertI read the whole book in a day and was incredibly inspired! The trio set up 10

different themed Ladies Drawing Nights to inspire you to start your own. Of course, I'm not Julia Rothman and I don't live in a cool Brooklyn loft and I'm not friends with Mary Kate McDevitt but there's a definite sense that this sort of activity is a great way to infuse creativity into your life, especially for folks who may be creative professionals but don't get a lot of opportunity to make things with their hands anymore. I particularly liked that they included images of the ladies' finished pieces and a list of the tools that they used as well as the overall projects. The 3D paperboard city project was a particularly clever idea too. The last two ladies nights were the least inspired: one was going out to a bar and the other was a kids night. While they are great ideas they were not as engaging as the projects earlier in the book.

Speaking directly to today's explosion of creativity, Ladies Drawing Night is for women looking to deepen their creative connections and expressions. Join rock star illustrators Julia Rothman, Leah Goren, and Rachael Cole for ten evenings of fun and art-making. The nights are led by two talented guest artists and themed around a particular topic, from large-scale ink painting to making art with kids. Samantha Hahn, Mary Kate McDevitt, Joana Avillez, and many more share their expertise. Each chapter includes loads of exciting artwork, insights about drawing, and instructions for that night's project. A rare peek into the minds and sketchbooks of some of the best female illustrators working today, this inspiring volume is an irresistible invitation to host your own Ladies Drawing Night!

"The book is a great inspiration tool if you've been looking to connect with other women who do what you do in your area—and it's beautiful to boot." —Design\*Sponge "Enough awesome photos and evidence of camaraderie to make you want to start your own ladies drawing night. Which is the point. Whether you're a professional illustrator or an amateur artist, getting your own ladies drawing night going will not only inspire and motivate you, but will also expand your skills and flex your creative muscles." —Bust "Part visual diary, part starter kit, perfect for any aspirational artist who wants to paint their cake and eat it, too." —Huffington Post

About the Author Julia Rothman has created illustrations and pattern designs for newspapers, magazines, wallpaper, dishware, bedding, books, billboards, political campaigns and subway posters. She has authored and illustrated seven books. Her homage to her hometown, *Hello NY: An Illustrated Love Letter to the Five Boroughs*, was praised by the New York Times, New York Daily News and on WNYC's *The Brian Lehrer Show*. She lives and works from her studio in Brooklyn, New York. Leah Goren is an illustrator and surface pattern designer living in Brooklyn, NY. She graduated from Parsons School of Design in 2012 with a BFA in Illustration. She has worked for clients including Anthropologie, Ban.do, Chronicle Books, The Land of Nod, Loeffler Randall, Penguin Random House, Vanity Fair, and Vogue.
