Jesus said we should be like children, continue to have Easy to Read Fun and a Meaningful Way to Read and Learn about Jesus while Studying the Bible. Just like the 12 apostles there are 12 words to find in the Bible verses on every page.

From the Author Instructions Just like the 12 Tribes of Israel lost in the desert, or the 12 Apostles on the road following Jesus, at the bottom of each page are 12 words or phrases hidden in the Bible passages on the page for you to find.***** You simply find, highlight or underline the word or short phrase on the page: Some words are used more than once on each page, so you get to decide whether you highlight one or all instances of the word on the page.
