I was worried it would be too cheesy for my nephew for xmas but he really enjoyed it. I noticed him showing some of the jokes to his friend when he didn't know I was watching, so it wasn't like he just pretended to like it either, ha!

The first collection of deer hunting jokes, anecdotes, and cartoons dedicated to an audience numbering in the millions. This fast-paced read includes true stories; irreverent one-liners (like the difference between beer nuts and deer nuts); tall tales; classic Ole Lena groaners; redneck Bubba monologues; hilarious pratfalls, and more.
