Andrew Heaton : Laughter is Better Than Communism before purchasing it in order to gage whether or not it would be worth my time, and all praised Laughter is Better Than Communism:

2 of 2 people found the following review helpful. The new 'Economics in One Lesson'By Luke AvedonIf you want to spread the economic way of thinking. THIS is the book to give someone. This book dethrones Hazlitt's 'Economics in One Lesson' as the best first economics book. I like Thomas Sowell's 'Basic Economics' as a good first book on the topic, but common -- no one is going to read all that. THIS is the book.Also, it's one of the only books that got me to really laugh...alone...reading an economics book.0 of 0 people found the following review helpful. Read this book!By Glider PendalehavenA perfect book for the age. Udderly witty and fully useful, in its uselessness... Please read!0 of 0 people found the following review helpful. Insightful and funny readBy Mazzie BThe author made me look at issues from a different angle, as well as rethink a few of my pre-conceived notions, all while making me laugh out loud,

A political satire collection of funny articles and cartoons about American democracy from a libertarian perspective. Learn about inland whaling laws, Zeppelin subsidies, the effects of lesbianism on cyclones, and economics explained by cavemen and robots.
