I've always enjoyed true life humorous incidents.0 of 0 people found the following review helpful. Laughter the Best Medicine for the HolidaysBy C. S. GarciaBought this on .com. The jokes are from Readers Digest and are therefore clean and not do put down people because of their race. I found most of

them humorous, an enjoyable respite. 0 of 0 people found the following review helpful. Great for the MindBy is Great! Laughter is truly the best medicine. I purchased one book in this series for my father who has dementia. He started reading that book and it lifted his spirits and he began to interact more and his mind was more engaged. I purchased three additional books for him to enjoy.

Laughter, The Best Medicine Holidays contains more than 1,000 of the merriest stories, jokes, quotes and cartoons. If ever there was a time of year in which we need a sense of humor, it's the holidays in America—and the latest little book in this best-selling series is here to help! Brimming with America's funniest stories, one-liners, cartoons, quotes, and jokes, this side-splitting collection explodes the myth that the holidays are the picture of clean homes, well-behaved children, meticulously wrapped gifts, absolutely perfect food, distinguished guests, and perpetual, shiny white smiles. Here is just a sampling of the holiday havoc we all recognize—and love: "Thanksgiving dinners take eighteen hours to prepare. They are consumed in twelve minutes. Half-times take twelve minutes. This is not coincidence." —Erma Bombeck Last Christmas morning, after all the presents were opened, it was clear that my five-year-old son wasn't thrilled with the ratio of toys to clothes he'd received. As he trudged slowly up the stairs, I called out, "Hey, where are you going?" "To my room," he said, "to play with my new socks." "The one thing women don't want to find in their stockings on Christmas morning is their husband." —Joan Rivers
