**Blain R. Andrus : Lawyer: A Brief 5,000 Year History** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lawyer: A Brief 5,000 Year History:

This hysterical, scholarly look at the history of lawyers is a roller coaster ride through history, viewed from a lawyer's perspective. This book will provide you with a good sense of the primal ooze that gave rise to the first lawyer and the religious, cultural, philosophical, economic, and political forces that have preserved lawyers from extinction?at least

so far.
