The puzzles and Extras that are printed on the back or kind of lame, and don't contain any answers if you get stumped. However, the daily writings, quotes, and quips are entertaining, sometimes educational, and always great. In the first four months, I think there have only been two or three days that weren't enjoyable. Each day is easy to peel off and the stand is sturdy enough to be held and handled multiple times a day for several people to get up off my desk and read it.0 of 0 people found the following review helpful. A must-get every year!By K.B.Always great jokes in these! Lots of variety with quotes, etc. so not the same thing every day.0 of 0 people found the following review helpful. Buy It For The Jokes, Not For A Calander...By JPLawyers: Jokes Quotes and Anecdotes: 2012 Day-to-Day Calendar is no different than any regular Kindle book; you can leave notes and highlights, but using this as an appointment or day calendar will not work out. If that is your intended use, you should not buy this Kindle book. However, if you like a good joke book about lawyers and law, then this calendar book will be worth your time.The content is pretty funny for the most part. Some jokes can be hit or miss but most are written that even a lay person (non-expert, i.e. lawyer) could laugh and enjoy them.

Now in its nineteenth edition, the Lawyers 2017 Day-to-Day Calendar features all-new jokes and anecdotes that poke gentle fun at the absurd laws, bizarre lawsuits, and crazy courtroom antics of the professionals the world most loves to laugh at. Attorneys and clients, judges and juries--everyone is on trial and in on the joke in this collection of funny stories, hilarious gags, quips, and quotations about the legal profession. It's a winning case of amusement that tips the scales of just plain fun for lawyers and everyone who loves to laugh with them.
