**Jess M. Brallier : Lawyers and Other Reptiles II: The Appeal (Bk. 2)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lawyers and Other Reptiles II: The Appeal (Bk. 2):

I suggest this as recommended reading for attorneys...it's great fun and not to miss.5 of 5 people found the following review helpful. More of the well focused humorBy A CustomerAfter buying the first volume, "Lawyers and Other

Reptiles" for a barrister friend in Nigeria, he immediately wanted the sequel. This little book continues the well intentioned poking of fun which even lawyers can enjoy. Good light reading.

Since its publication in 1992 *Lawyers and Other Reptiles* has spawned a new breed of legal humour. This follow-up brings together historical satirists and modern-day wags in another compendium of quotations, jokes and curses on the law. '
