Terence Reese : Learn Bridge in Five Days before purchasing it in order to gauge whether or not it would be worth my time, and all praised Learn Bridge in Five Days:

1 of 1 people found the following review helpful. VERY GOOD BOOK ON BRIDGE By carol foust THIS IS AN EXCELLENT BOOK BUT FORGET THE FIVE DAY PART. YOU CAN TAKE A LIFETIME TO LEARN BRIDGE, BUT THIS IS AN EXCELLENT BOOK FOR THE BEGINNER.

Become the star of the bridge club in just five days--even if you've never played before! A "daily schedule" of fundamental techniques and rules allows the reader to absorb the basics easier, leaving more time to develop winning strategies. Day One begins the game, from the initial cut to simple bidding procedures. Move on to more advanced bidding techniques, a round of declarer's play, and defensive play. "Check-back" quizzes at the end of each lesson reinforce what has been learned and establish what needs to be worked on further. For anyone who has ever yearned to learn the game, this is your ticket to victory.

About the Author Terence Reese has written columns on Bridge in The Observer and The Evening Standard.
