Asimov stands aloneBy ThomasOnly Isaac Asimov could conceive and concoct such an outrageous collection. The author who has written in every genre does not disappoint.I miss this great man and broad-ranged author.1 of 3 people found the following review helpful. Issac not at his best writing limericksBy Russell M SasserThey were OK but most were not worth reading unless you are super keen on limerecks and on Issac. Then it might be worth it.
