**Lecile Harris : Lecile: This Ain't My First Rodeo** before purchasing it in order to gage whether or not it would be worth my time, and all praised Lecile: This Ain't My First Rodeo:

1 of 1 people found the following review helpful. Lecile: This Ain't My First Rodeo By Thurman G. Mullins Great read. After reading it, I've decided everybody on my Christmas list needs one. A candid look at Lecile's life, growing up, his family; and the fun and wrecks along the way in and out of the arena to becoming recognized as one of, if not the greatest bull fighter and Rodeo funny man to ever hold an audience in the palm of his hand. I would recommend it to anyone that's ever been to a Rodeo or ever wanted to. Out of my collection of books on Rodeo, this one is by far the

best.1 of 1 people found the following review helpful. Everyone, cowboy or city folk, orta read it! The world needs more Lecile Harris'!By Squeaky ReedMy mom and dad rodeo'd alot in the southeast and Lecile is as cool as they come. Never got to really "know" him but never knew or heard of anyone that didn't like him. Cool to read these stories, heard a few of before. My daddy used to tell me stories of Kidd Marley and folks like that. Nice to step back in time.0 of 0 people found the following review helpful. loved it. Down to earth storyBy Sdlloved it .Down to earth story.
