Higginbothamgrandson loves it0 of 1 people found the following review helpful. Not for young childrenBy Amy KochenspargerThis book is okay, but definitely not for young children to read (3-7 year-olds). The book is not written to hold the attention of young children, so we will keep it until they get a little bit older.

A tribute to the (more creative, more successful and just more all-around interesting) left-handers.
