Baxter Black : Lessons from a Desperado Poet before purchasing it in order to gage whether or not it would be worth my time, and all praised Lessons from a Desperado Poet:

Part memoir, part how-to, all Baxter Black, Lessons from a Desperado Poet is a humorous, witty take on making a living by doing the right thing and trying everything. According to Baxter Black, success “does not require a genius; it

just requires the persistence of a glacier. Remember, often it's not ability that gets you ahead, it's reliability. The world is run by those who show up." Lessons from a Desperado Poet leaves a trail of self-improvement and motivational tortilla crumbs that readers will follow with delight—before, that is, squirreling them away in their own cerebral pockets for later use.

"There is nothing profound in saying that chickens cluck or that Baxter Black is a man of enormous talent, but readers of this book will find there is more to his success than a train-load of talent. He didn't quit when life bucked him off and stomped on his hat. He works hard. He reads and studies and thinks. He prays. He keeps his word. He doesn't write trash. He respects his audience. How rare and refreshing: an artist/entertainer who can spell integrity, and even knows what it means."- John Erickson, Author of "Hank the Cowdog" Series
