Len Colclough : Lessons from the Fish before purchasing it in order to gage whether or not it would be worth my time, and all praised Lessons from the Fish:

0 of 0 people found the following review helpful. A brilliant and Entertaining Read!By Jill ENot by Len Colclough at all, it is a collection of famous personalities and fishermans tales. Edited and collected by The Second Chance Children's Charity and sold to raise funds for that charity. Len Colclough was a volunteer not an author. It is interesting to fisherman and non fisherman alike and is an insight into several well known personalities private lives. Highly Recommended.
