Enjoyable By Jerry It is entertaining and humorous, and perfect for people who do not like the vulgar humor the secular media regurgitates. 1 of 1 people found the following review helpful. The ultimate gift for a church leader! By Mode Models I loved this book. It is not just a one-time read. It is a reference book for Christian leaders! I highly recommend it! You will go back to it again and again! It was obviously written by somebody who knows church culture. It is time we as Christians take ourselves less seriously and make fun of ourselves before outsiders do!

If laughter is the best medicine then these hysterical reflections on church life will bring joy and encouragement. Funny things happen in church...really funny things. And laughing about them can be one of the most healing, healthy, and encouraging things a pastor, church leader, or church member can do. This fun resource will provide instant laughs by bringing together some of the best "Church Laughs" content from Leadership Journal, Christianity

Today's magazine for church leaders. High-quality, witty, silly, and just-plain funny cartoons and amusing anecdotes are also included. Let My People Laugh will bless and minister to folks in a way that sermons sometime can't!
