S A Zuckerman : Let's Eat!: A Fable With Recipes for Foodies before purchasing it in order to gage whether or not it would be worth my time, and all praised Let's Eat!: A Fable With Recipes for Foodies:

Have you ever wondered what mankind did for food after getting booted from the Garden of Eden? It is likely not anything you can imagine. After careful research (eh), we have found the answer (sort of). Find the true history of

food, with early recipes included, in "Let's Eat!"
