James Herriot : Let Sleeping Vets Lie before purchasing it in order to gage whether or not it would be worth my time, and all praised Let Sleeping Vets Lie:

It has very few of the actual stories of the original tape. I sent it back.I have most if not all of his stories and books and what I've noticed over the years is a whole lot of editing. We wouldn't really want people to know what it was like. He had a very hard and difficult job with great joys and great sorrows but that seems to be missing from most of the newer stuff. He was a people person but a dreamer also. His descriptions the people and area and feelings were wonderful except they've edited so much of that personal stuff out of the new stuff it's like pap. Find the real deal and go for a challenging and wonderful experience.0 of 0 people found the following review helpful. Five StarsBy sharon evaan excellent read. Herriot never disappoints0 of 0 people found the following review helpful. A nice change of pace.By Janet AlpiThis is not my usual kind of read but it was a refreshing change and gave me an insight into a world I've never travelled. The book was nicely paced and I enjoyed James' insights into his characters.

With two years experience behind him, James Herriot still feels privileged working on the beautiful Yorkshire moors as assistant vet at the Darrowby practice. Time to meet yet more unwilling patients and a rich cast of supporting owners. Full of hilarious tales of his unpredictable boss Siegfried Farnon, his charming student brother Tristan, the joys of spring lambing, a vicious cat called Boris and James' jinxed courtship of the lovely Helen, this third volume of

memoirs is sure to delight hardened fans and new readers of James Herriot titles alike. 'He can tell a good story against himself, and his pleasure in the beauty of the countryside in which he works is infectious.' - "Daily Telegraph". 'Full of warmth, wisdom and wit.' - "The Field". 'It is a pleasure to be in James Herriot's company.' - "Observer".

About the Author James Herriot grew up in Glasgow and qualified as a veterinary surgeon at Glasgow Veterinary College. Shortly afterwards he took up a position as an assistant in a North Yorkshire practice where he has remained, with the exception of his wartime service in the RAF. He is married with a son who is also a veterinary surgeon and a daughter who is a doctor.
