It is fun and refreshingly different from the normBy PINPOP[[VIDEOID:4a0c6f9caf435ef28b768e810d147ae]] Let The Birdie Fly grayscale coloring book, is a very different spin off of swears. Instead of coloring a word you get to color an actual person as it is happening. It is fun and refreshingly different from the norm. I love this book, it lets me color my frustrations away. Inside the book you will find the color photos along with the grayscale. So if you need a little inspiration it is there for you. I enjoyed coloring the pics in this book it was a fun color.
