Ted L. Nancy : Letters from a Nut before purchasing it in order to gage whether or not it would be worth my time, and all praised Letters from a Nut:

4 of 4 people found the following review helpful. very funnyBy George JeffersonThis book is hilarious. It is very subtle humor. The author writes letters to mess with peoples heads. Sometimes the responses he gets back are even funnier. I would recommend if this is your style of humor.0 of 0 people found the following review helpful. laugh till u cryBy thalldoI laughed till I cried. A rare book. Who is Ted L. Nancy?He's a concerned hotel guest searching for a lost tooth... He's a superstitious Vegas high-roller who wants to gamble at a casino in his lucky shrimp outfit... He's the genius inventor of "Six Day Underwear"... He's a demanding dramatist seeking an audience for his play about his 26-year-old dog, Cinnamon... He's the proud owner of Charles, a 36-year-old cat who owes his longevity to a pet food company... He's a loyal fan of the King of Tonga... He is, in reality, a twisted prankster -- a supremely off-kilter alter ego who sends patently ridiculous letters and queries to (and receives surprisingly earnest responses back from) corporate honchos, entertainment conglomerates, national publications, politicians, celebrities and heads of state to everyone, in fact, from the president of the Bon Ami Cleanser Company to U.S. Vice President Al Gore. Letters From A Nut is an insanely inspired, truly madcap collection of Nancy correspondence, a laugh-out-loud-in-public-places aggregation of official -- and officially certifiable -- requests, complaints, fan mail and questions that could not possibly have been taken seriously...but, amazingly, were! Dear Mr. Nancy: "It is not often that we receive such enthusiastic support for the paper bag." --The Paper Bag Council "On behalf of Greyhound, there should be no problem traveling while in your butter costume." --Greyhound Bus Lines "I look forward to working with you to create a better future for this great nation." -- Vice President Al Gore "An unending stream of some of the most hilarious exchanges I've ever read. Everyone I lent this book to just read it and laughed out loud like I did. It's so simple, yet totally inventive. I'm sure some sort of mail fraud charges could be brought to stop this man but, personally, I hope they never catch him." --Jerry Seinfeld

.com What if you wrote to the Baseball Hall of Fame offering to donate a full set of Mickey Mantle's toenail clippings? Why, they'd be glad to have 'em--even if you are "a Level 4 bed-wetter." Cooperstown is only one of many institutions terrorized in Letters from a Nut, a collection of crazed correspondence by Ted L. Nancy. The name is a pseudonym, perhaps for Jerry Seinfeld, who wrote the introduction. Seinfeld never comes clean, but the yocks sure sound like his material. And the letters have his prints all over them--who else would write the L.A. Lakers posing as a rabid fan who wears pants with a see-through back end, "for medical reasons"? Whoever wrote it, the book's a real lark. Where else can you meet "Pip, the Mighty Squeak," a man who gambles in a giant shrimp costume, or a corn that looks like Shelley Fabares? Only inside the fevered brain of Ted L. Nancy--whether he's Jerry Seinfeld or not.
