**L. H. Fuge, M.D. : LHF MD: Love, Humor, Faith: My Destiny--the making of a modern medical woman** before purchasing it in order to gage whether or not it would be worth my time, and all praised LHF MD: Love, Humor, Faith: My Destiny--the making of a modern medical woman:

1 of 1 people found the following review helpful. Diary of a rural doctorBy Dr. J. KeyserI felt like I was reading a diary, the book was very personal. It was an honest portrayal that is full of humor. The personal pictures added to the overall diary persona. However,there were a lot gaps in LHF's story and many unanswered questions. Perhaps these

areas were too personal even for this book. I wish that LHF was my doctor;she epitomizes how personal physicians should work even in today's world.

With her own true story: Love, Humor, Faith: My Destiny, Dr. Fuge shares how life s Blessings, Happy or sad, have contributed to the making of A Modern Medical Woman. Raised by two blind parents, Dr. Fuge thanks her family, then and now, for shaping her philosophy. My Mother pushed me to aspire. My Father taught me to laugh. My Kid sister taught me to keep trying. Medicine taught me to be humble. My Husband, Tom, taught me to love. My Children taught me to live! I thank God for all of them. In this collection of true short stories about her family and from her life, find a Blessing you can relate to.
