Frank Cho : Liberty Meadows Volume 4: Cold, Cold Heart HC (Bk. 4) before purchasing it in order to gage whether or not it would be worth my time, and all praised Liberty Meadows Volume 4: Cold, Cold Heart HC (Bk. 4):

0 of 0 people found the following review helpful. Liberty Meadows Volume 3: Summer of LoveBy John StecklerFrank Cho's continuing tale of the happenings at Liberty Meadows is, I believe, the first "comic" that has ever made me feel something for the characters. It's hilarious, crude, sexy, heartbreaking, awkward, suspenseful, and "I can't turn the pages fast enough", all at once. This is the first and only series that has made me want to follow the characters, just to see what happens next. As per usual Frank Cho, the artwork is stunning. Mr. Cho knows how to draw women. Not in a perverted way, but you can tell he appreciates the female form, and his pen speaks to that appreciation. Great series. 5 stars.1 of 1 people found the following review helpful. Well, maybe not so big a

book...By Pig PickensThe BW section is duplicated, as far as I can tell, in the 10th anniversary collection. Interesting preface, and a nice color section of strips.0 of 0 people found the following review helpful. Funny As HeckBy CustomerThis reviewer first was introduced to Liberty Meadows when she was spending one of her many hours at a Barnes and Nobles.The plotline, she had to admit, was a little strange, but seemed to work: a dorky vet by the name of Frank working at an animal shelter for some of the most eccentric animal characters known to man.There's Leslie, the hypochondriac bullfrog. Dean, the obnoxious pig who smokes, drinks, and fancies himself a ladies man (ladies pig?). Truman, the duck who cannot fly. Ralph the midget bear inventor. And so on.The comedy is often of a slapstick nature. Dean the pig's attempts to woo the ladies usually end up with Dean getting hurt (in one memorable instance, Frank has to remove a high-heeled shoe from where the sun don't shine after one of Dean's many attempts).Ralph and Leslie are constantly either pulling pranks on each other or the other inhabitants and trying out one of Ralph's cockamamie inventions. Not to mention owner Julius' obsession with outsmatring Khan the catfish, Frank's clumsy pursuit of Brandy, the animal psychologist, lots of sight gags involving other comic strips, and the occasional appearance of cartoonist Frank Cho, in the form of a chimp. You have been warned.All and all, this writer doesn't know what drugs Frank Cho was on upon creation, but she wants it.

Jen is a woman on a mission. She has her eyes and claws set on Frank, while Brandy watches helplessly from the side. This hot love triangle goes nuclear when new emotions emerge from all parties. To complicate matters, the Cow is released from jail and seeks terrible retribution from Ralph and Leslie who had him locked away years ago.
