Matt Bors : Life Begins at Incorporation before purchasing it in order to gauge whether or not it would be worth my time, and all praised Life Begins at Incorporation:

Are corporations people? Is birth control a sin? Can the president kill you with a drone strike? In this essential collection, Pulitzer Prize Finalist Matt Bors mixes the best political cartoons from his prolific body of work with 15 essays to answer the most perplexing questions of our time. From wandering the halls of a church-run haunted house in Ohio to meeting in Afghanistan with victims of America's War on Terror to speculating on the secret lives of homophobes, Bors ridicules the people and problems plaguing this fair nation. Never has reading about economics and mass shootings been this enjoyable!
