## Getting Engaged and Married:

0 of 0 people found the following review helpful. He says it like the author is talking to you like a good ...By CustomerBought this for my boyfriend, and he loves it. He says it like the author is talking to you like a good friend.0 of 0 people found the following review helpful. This book is hilariously refreshing. Wish I had read ...By Alexi AgramonteThis book is hilariously refreshing. Wish I had read this when I was 18, 24 and again when I was 30 lol. Now I'm 34 and already married with a kid. Still worth the read to cope with married life.0 of 0 people found the following review helpful. A great readBy stanleyA must read for men! A must read for men! A must read for men! A must read for men! A must read for men! Just read the book and you will know what I mean.

THE FIRST THING THEY PRONOUNCE YOU IN LIFE IS "HUSBAND AND WIFE". THE NEXT THING IS "DEAD".Up till now, preparing for marriage was a lot like preparing for death: You didn't know what was ahead and there was nothing you could do about it anyway! LIFE SENTENCE changes all that with honest, guy-to-guy advice and counsel. Think of it this way: It's like getting your grubby hands on the other team's playbook before the big game. Which is why it's the one book they -- girlfriends, fiancées, and divorce lawyers -- don't want you to read. You'll gain valuable insights into: BEING ENGAGED: It's the romantic equivalent of being in cyberspace. The ring is like signing a lease with an option to buy.FIDELITY: If you think that fidelity is a raw deal, remember that she made the same deal. With you. You're the last guy she gets.GOLF: Never, ever play with her.
