Stephen Potter : Lifemanship:Some Notes on Lifemanship with a Summary of Recent Research in Gamesmanship before purchasing it in order to gage whether or not it would be worth my time, and all praised

Lifemanship:Some Notes on Lifemanship with a Summary of Recent Research in Gamesmanship:

1 of 1 people found the following review helpful. Must read!By Customerexcellent little book; I had been looking for it for a while,7 of 8 people found the following review helpful. A Full Course in LifemasteryBy B. M. KesslerIf you have already mastered the ploys and gambits of gamesmanship, then this is the book you need to take your play to the next level. Serious manuevers for negotiating conversations with ease while making the other party feel uncomfotable. A trove of practical advice for all social occasions, really.6 of 7 people found the following review helpful. My handbookBy ViktorOne of four Potter masterpieces. This dastardly-clever book is my secret weapon in dealing with life and people on a daily basis. Forget "How To Win Friends and Influence People" - this is the real stuff! Hilarious.

What does Lifemanship mean? Easy question to pose, difficult to answer in a phrase. A way of life pervading each thought and conditioning our every action? Yes, but something much more, even though it only exists, as pervasive, intermittently. How to live--yes, but the phrase is too negative. In one of the unpublished notebooks of Rilke there is a phrase that might be our text, ...if you're not one up (Bitzleisch) you're...one down (Rotzleisch). How to be one up--how to make the other person feel that something has gone wrong, however slightly. The Lifeman is never caddish, but how simply and certainly often he or she can make the other person feel a cad, and over prolonged periods.

"Have you ever read anything by Stephen Potter? If you have, you are probably on your way to the cashier."About the AuthorStephen Potter was educated at Westminster School and Merton College, Oxford, where he took honors in English. A lecturer in English Literature at London University, he joined the BBC as a writer-producer, becoming a book and drama critic after the war.
