A great book fun and funny...did you know that the first light bulb joke dates back to 1864? 75 awesome lightbulb jokes about -- well let me just page through this and you'll see ---New Yorkers...New Jersey, California...teamsters...LA COPS -- everyone is skewered by Jeffrey's bright humor.....Jewish mothers, zen buddhists -- How many _____ does it take to screw in a light bulb...you name it/them/group Politically incorrect it is hilarious...Here's an example-- How many punk rockers does it take to change a light bulb -- two -- one to break the new one and one to eat the old one...how many college professors does it take to change a light bulb-- only one but he publishes 3 papers about it and the bulb is actually changed by his graduate assistant-- you get it now-- so buy it...or maybe you're just not bright enough yourself??
