Judi Schram : Lights Out in the Attic before purchasing it in order to gage whether or not it would be worth my time, and all praised Lights Out in the Attic:

0 of 0 people found the following review helpful. Simple yet realBy Mimi AggasA variety of subjects which kept your attention. True for the "Boomers" and those approaching grey maturity. Fast reading and smiles at best. Four stars only because I did not find it that humorous personally. If the subject of book reading came up, I would probably recommend. 0 of 0 people found the following review helpful. Laugh out loud funny.By Grateful GrandmaTo look at this book it does not really look all that appealing but I am glad I gave it a chance. Being of a certain age, this book made me laugh out loud. It is a series of poems all having to do with ageing. It is dividing into chapters including: Body Parts, Memory, Doctors, Marriage, Family and Friends and more. I really enjoyed several of the poems and they hit home especially some of the memory ones and I could really see my husband in the tech ones. I would recommend any young adult could pick this book up for a stocking stuffer for their parents and they would get a kick out of it, or read it themselves and see what is in store for them. A real delight.I received a copy of this book from Netgalley in return for an honest review.

"Lights Out in the Attic" is a lighthearted, humorous and, at times, poignant look at aging for women of the boomer generation. Author Judi Schram believes that as we all inevitably go through this aging process, the best way to do it is together, and with laughter. Chapters include: Body Parts, Memory, Doctors, Marriage, Family and Friends. Each

poem is accompanied by a delightful illustration by talented artist Ellen Rontal. This is a great tabletop book for stolen pick-me-up moments, as well as a perfect gift for a fellow boomer. Keywords: Humor, Boomer Humor, Women, Boomer Birthday Gift, Weight, Diet, Friends, Technology, Marriage, Family, Memory, Body Parts, Aging, Memory, Laughter Is The Best Medicine, Humorous Poem, Musings On Aging
