Erin McHugh : Like My Mother Always Said...: Wise Words, Witty Warnings, and Odd Advice We Never Forget before purchasing it in order to gage whether or not it would be worth my time, and all praised Like My Mother Always Said...: Wise Words, Witty Warnings, and Odd Advice We Never Forget:

2 of 2 people found the following review helpful. Got a great husband? I'll bet he had a great mom! By PageTurner My mom's gone, but this fab book is going in the mail today to my wonderful mother-in-law, whom I know was the first source of most things good in my equally wonderful husband! I recognized so many of my own mother's phrases and

pearls of wisdom all over the pages of McHugh's book-- it was a trip down memory lane for me. A perfect Mother's Day tribute to a mom you love or a really cute baby shower gift for a soon-to-be mom!0 of 0 people found the following review helpful. Classic motherly adviceBy XtremeJLouFun book filled with motherly wisdom. I love it.1 of 1 people found the following review helpful. Three StarsBy CustomerEnjoyed the many funny, insightful, and intelligent quotes. Like My Mother Always Said is a great book.

During an afternoon of coffee and conversation, a friend of Erin McHugh's pointed out that she frequently invoked quotations and memories from her mother. Then Erin started noticing how many other people did the same. It also became clear how humorous, moving, and unusual these gems were—so she decided to do something about it. In *Like My Mother Always Said*, McHugh, author of the successful Abrams Image feel-good title *One Good Deed*, collects the wonderful and laugh-worthy words that our moms tell us in their attempts to be helpful and instructive. (Whether they succeed or not is another thing entirely!) Offered up in quips and short anecdotes, all the kinds of nurturing and nutty information we glean from our mothers is divided into chapters such as “Questionable Wisdom,” “Unconditional Love,” “Good Manners Bad Behavior,” and “Wise Words.”

“Kids young and old, ordinary and famous, contributed to this celebration of mothers and the wacky, wonderful words that will echo for generations.”
