Great illustrations that can also turn this into a coloring book.0 of 0 people found the following review helpful. Great book for bedtime stories!By mon-key-rite...Keeps the little ones entertained with short action packed stories and poems any child is sure to enjoy!! I highly recommend this book!!

Short, child-friendly, limerick-style poems for bedtime or anytime. Fun cartoon characters in silly and outrageous situations help spur your child's imagination. And the (sleepy YAWN) last poem can be customized with your child's name. Including a section that teaches how to count syllables for haiku, this book is also ideal for coloring.
