**Isaac Asimov, John Ciardi : Limericks: Too Gross** before purchasing it in order to gage whether or not it would be worth my time, and all praised Limericks: Too Gross:

0 of 0 people found the following review helpful. good laughBy Customerlaugh everytime I open this1 of 1 people found the following review helpful. Ciardi better than AssimovBy Russell M SasserIt was supposedly a duel by two men who did not care for one another. But you could tell there was a friendship between them. It's better than Assimov's Lecherous Limericks and I did enjoy a few of the limericks. Maybe I'm just not a limerick fan.0 of 0 people found the following review helpful. Five StarsBy Martine CermakGreat gift for my dad....as described by seller.

Hurling limericks at each other, a dozen at a clip, they charge from the lists (the list includes a gross of limericks by each). It is a brilliant confrontation in one of the English languages oldest and most demandingly rigid traditions. Isaac Asimov, one of the worlds best-selling authors, a scientist, academic, romantic, and original thinker, here jousts and jests with his old opponent in the war of the words, John Ciardi. Ciardi, of course, is a poet, world authority on and premier translator of Dante, teacher, critic, and formidable manufacturer and wielder of the word-weapon.
