ElliottTom Hegg is a drama and English teacher, and I knew him many years ago when he had written A Cup of Christmas Tea, his first book. He wasn't sure of it, and had his mother read it and she was so impressed, he had it printed, and it is popular to this day.So many years have gone by, and he is still writing beautiful and unusual stories. This time for children.

Tom Hegg, author of the modern holiday classic A Cup of Christmas Tea, takes several immortal Dickens characters

from different novels, mixes them together with newly minted ones, puts them all in *Mortal Danger*, and sets the story to wickedly clever verse. The production is further enhanced by the lively illustrations of Kevin Cannon.
