For those not familiar with Little Johnny, he cleverly exemplifies some of the more sarcastic qualities of Calvin from Calvin and Hobbes, Bart from The Simpsons, or any one of the South Park characters. While a casual observer might mistake his sarcasm as youthful ignorance, a closer look reveals just how calculated his wit can be. And it's this wit that has yet to be made collectively available to humor enthusiasts...until now.Little Johnny Sarcasm and Wit is the result of an exhaustive search around the world (wide web, mostly), countless hours sifting through archives (unsolicited email, mostly), and documenting renowned comedians (wannabes, mostly). The immediate fallout of this undertaking was quite rough around the edges, but through shrewd editing emerged a hearty collection of the most whimsical Little Johnny anecdotes available?each having a unique ebb and flow.
