Dan Zevin : Little Miss Overshare: A Parody (Little Miss and Mr. ME ME ME) before purchasing it in order to gage whether or not it would be worth my time, and all praised Little Miss Overshare: A Parody (Little Miss and Mr. ME ME ME):

0 of 0 people found the following review helpful. Hilarious!! Not for kids!By CECSThis was a hit at Christmas this year! My sister and I were fans of the Mr. Men and Little Miss Books as kids, and her pet peeve in today's world is the tendency to overshare everything (while I sometimes err on the side of this book's heroine!) It had everyone in stitches! Not for young children, though; the humor is very adult! ;) Highly recommend!1 of 1 people found the following review helpful. Reminds me of someone . . .By Lisa AhlstedtLittle Miss Overshare is so excited about every little thing that happens in her life that she's sure you'll want to hear about it, too. It doesn't matter if you are a long-suffering roommate, co-workers in a professional setting, or strangers asking directions, Little Miss Overshare will gladly and openly provide details of her life that no one wants to hear. Not that this slows her down at all!Little Miss Overshare is a parody in a series of books by the author Dan Zevin. Some other titles include Mr. Selfie and Mr. Humblebrag. While each small book no doubt reveals characters that we all encounter on a daily basis, for sheer self-absorption and cluelessness, it would be hard to top Little Miss Overshare.The book is very tiny, only about 5 inches square and 30 pages long. Each page of "oversharing" is accompanied by a drawing of an excited looking Little Miss Overshare along with pained looking recipients of her pronouncements. The book is cute and entertaining, and I'm sure it will call to mind people in our own lives who are fond of imparting TMI in social settings.Disclaimer: I received a copy of Little Miss Overshare from Blogging for Books in exchange for this review1 of 1 people found the following review helpful. Hilarious!By J. LietzLittle Miss Overshare is a parody book by Dan Zevin. This book is

done in the style of the Mr. Men and Little Miss series that were popular in the 1980s when I was a kid. This short paperback is about the rampant oversharing on social media, as well as in person. Little Miss Overshare talks about the day she was born, her bodily functions, her dietary preferences, family history and then some. She encounters many people throughout her day, and with each one she overshares a different type of information about herself. Later on in the book, we get to meet Mama Overshare and Papa Overshare, along with little sister Undershare. This book is just plain funny! It would make a fun white elephant gift exchange item or stocking stuffer for the humor loving person in your life. Disclaimer: I received a free copy of this book from the publisher in exchange for writing an honest review. I did not receive any other compensation.

Little Miss Overshare is so very generous, she sometimes gives too much. Too much information! In this heartwarming tell-all tale, she informs a senior citizen about her sex life, discusses her digestive system with her roommate, and chit-chats about her lady problems at the office water cooler. Do you know a silly someone who shares more than her fair share? Then you'll want to share Little Miss Overshare! Meet her friends from the Little Miss and Mr. ME ME ME parody series: Mr. Selfie, Mr. Humblebrag and Little Miss Basic!

About the Author Dan Zevin is a Thurber Prize-winning humorist. Two of his books, *Dan Gets a Minivan* and *The Day I Turned Uncool*, were optioned by Adam Sandler, and the latter is now being developed for NBC by Jeffrey Katzenberg, Seth Grahame-Smith, and Lauren Rogen. Dan has been an award-winning humor columnist for the *New York Times*, a comic commentator for NPR, and a contributor to print and digital editions of *The New Yorker*, *McSweeney's*, *Rolling Stone*, *Salon*, the *L.A. Times*, *Real Simple*, and *Parents*, among others. His latest project is a series of picture book parodies featuring adorably annoying adults, including *Mr. Selfie*, *Little Miss Overshare*, *Mr. Humblebrag*, and *Little Miss Basic*.
