James Buffington : Little Willie's Rhymes And Crimes before purchasing it in order to gage whether or not it would be worth my time, and all praised Little Willie's Rhymes And Crimes:

1 of 1 people found the following review helpful. Naughty WillieBy Bonnie MackerWhen I was little, my Dad recited Little Willie poems to me. I enjoyed reading poems I'd never heard.

Little Willie rhymes were introduced in the 1890's and became to the sick joke what limericks are to the dirty joke.

We've updated Willie and feel he'll be right at home in a world of terrorists, criminals and evil doers. This book will make a great present for those of properly demented wit.
