THIS BOOK IS FOR WHEN YOU WANT TO HAVE A PICTURE TO COLOR AND SPEND A LONG TIME ESCAPING FROM THE STRESSES OF THE DAY. THESE FANTASY PICTURES WILL KEEP YOU BUSY FOR HOURS AT A TIME.2 of 2 people found the following review helpful. Very nice sketchy type coloring book!By My ARTasticSelfThis is her first coloring book. I hope more are to come.This book is more for intermediate to advanced colorists.I do love the somewhat thicker, single sided, perforated paper for the 63 beautiful original artwork pieces.Although, some need to be enlarged to be able to really color the very gorgeous details.You can tell some were much larger paintings that are scaled into this 8.5" x 11" book.This is why the 4 stars and not 5. I am a huge fan of Stephanie's artwork and own

some of the "how to" watercolor books she illustrated. Thank You. 2 of 2 people found the following review helpful. I love it! By Debra Muckenfuss I bought this for a Christmas present for my sister-in-law. Obviously she hasn't seen it yet, but I think she is going to love it! I just got it today, a day earlier than the estimated delivery, and looked through it and I love the artwork. I think she is going to really like this one! It seems a lot better than most of the adult coloring books out there with just pictures broken down into small shapes. These pages are actually artwork that you can display once finished if you want to!

Lovingly drawn by Stephanie Pui-Mun Law, these 60+ colorable illustrations feature scenes from fairy tales, myths, and folklore found in cultures around the world. Engage your creativity through the absorbing act of coloring, and immerse yourself in the imaginative realm of Shadowscapes. Each page has perforated edges for easy removal and is suitable for display in a standard frame.
