

5 people found the following review helpful. an anthology of jokes that have appeared on the internet  
By A Customer  
EVERYONE HAS BEEN CONNECTED TO A JOKE LIST ONLINE, YOU KNOW THE JOKES YOU READ AND SEND WHEN YOU ARE SUPPOSED TO BE WORKING. THE TROUBLE IS, MOST OF THESE JOKES ARE EITHER LAME, OR SO OLD, YOUR GRANDFATHER KNEW THEM. THE GREAT THING ABOUT THIS BOOK IS THAT THE LAME AND SENSELESS ONES ARE ELIMINATED AND THE GOOD ONES ARE CATEGORIZED. A LOT OF THEM ARE TIMELY, SUBJECTS THAT WE CAN ALL RELATE TO. I REALLY ENJOYED THIS BOOK, AND IT IS GREAT TOILET READING MATERIAL.  
4 of 4 people found the following review helpful. Laughing Out Loud Til I Cried  
By Susie  
This by far is the best joke book I've come across. Once I started reading, I couldn't put it down. I laughed so hard my cat started looking at me funny!  
Bravo Steve Patty for a job exceptionally well done. Dividing the book into chapters is great - makes joke telling so much easier. Can't wait til the next volume comes out!

LOL: THE HUMOR OF THE INTERNET is an up-to-date compilation of the latest and best jokes currently being circulated on the Internet. Since the rise of the Worldwide Web, there is no doubt that it had become the number one method for the transmission and distribution of humor. Seconds after a new joke is hatched, it can be on its way around the world, arriving in countless e-mail boxes within minutes and exponentially passed along almost immediately to hundreds of thousands of others. The sheer volume of such jokes insures that many, if not most, will be lame efforts or simply retreads of jokes that have been seen countless times before. Now Steve Marshall and Patty Miller-Marshall have emerged to take on the gargantuan task of editing these jokes down to the truly hilarious, hysterical "laugh-out-loud" funny material. "LOL: THE HUMOR OF THE INTERNET" is, quite simply, one of the strongest and most consistently funny humor collections to come along in recent memory. Now you can see all the best of the humor of the internet without having to wade through a host of lame jokes to get to the real gems. If you're always at a loss when those around you are telling jokes, LOL - The Humor of the Internet is the collection for you. Sometimes ribald, sometimes raunchy, always funny, we have scoured the internet to bring you the very best rib-tickers, knee-slappers and LAUGH OUT LOUD jokes out there today.

About the Author  
STEVE MARSHALL knows a good joke when he sees one. He has worked in film and television comedy for the past twenty years, having written and produced such series as "WKRP IN CINCINNATI", "GLORIA" and "GROWING PAINS". He has also Executive Produced and co-created "OFF THE RACK" Starring Edward Asner and Eileen Brennan, the ABC-TV show "JUST THE TEN OF US" and the UPN series "LIVE SHOT". Among his motion picture credits is the Twentieth Century Fox film, "REVENGE OF THE NERDS II, NERDS IN PARADISE" for which he is deeply apologetic. PATTY MILLER-MARSHALL is a social worker for a foster family agency in Los Angeles. She has taught numerous college courses, had a private psychotherapy practice, worked as a parole agent and a lobbyist (thus she has worked on both sides of law). Patty credits her experience as the mother of six as not only the source of her sense of humor but perhaps her entitlement to canonization as well. She has written short stories, poetry and is currently working on her first novel.
