**Martin Grondin : LOLcat Bible: In teh beginnin Ceiling Cat maded teh skiez an da Erfs n stuffs** before purchasing it in order to gage whether or not it would be worth my time, and all praised LOLcat Bible: In teh beginnin Ceiling Cat maded teh skiez an da Erfs n stuffs:

1 of 1 people found the following review helpful. Funny and entertaining version of the bible.By BrettReading through the bible currently it is fun to take a break every now and then to look at this book. It is really funny while still being fairly accurate in its short adaptation of the bible. It has many cute and funny pictures of cats. I would highly recommend this for anyone who has kids and you want to start introducing them to the bible without overwhelming

them with the difficult language and inappropriateness of the actual bible. 1 of 1 people found the following review helpful. Religion made fun! By Adam Ziell have to admit I only read a few stories, the Genesis account and the equivalent of the Jesus, passages. I couldn't stop laughing. Part of the reason is because like one reviewer I am a devout Christian and couldn't help like how this writer makes religion fun. The Bible is a serious book but I find no reason to have a little fun with it. God did make laughter after all. I also, and I could be wrong, but find nothing wrong with it in terms of theology at least. It tells stories, makes them funny, and let people enjoy. It stays away from the strong theology parts of the Bible such as John 14, which I have no problems with. It still is a work in progress so eh might include more about that stuff but for now, the stories are fine and funny. I also enjoyed how they even did the song, "Amazing Grace" and one other in lol cats form. For those who are not religious or have not experience with the Bible one may not get some of the humor, or have as much fun. I could be wrong in my assumption, forgive me if I am. I would still recommend people read it, if not for a good dose of lol cate. 3 of 3 people found the following review helpful. Jes purrrrfek By AJ Red I am a cat-loving evangelical Christian with a sense of humor. Having been on cat forums and following LOL cats for years, I am just jealous that I didn't know about this before - one of my cats was named for a bishop of the Free Methodist church, and BT "claimed" to be the leader of the Free Meowthodist church! So I thought this book was a lot of fun. Wish it weren't quite so off color in places. Nothing that adults can't handle, but too much for the kids. If you are capable of poking fun at yourself, your cats, and a laugh at a rather twisted retelling of some Bible stories, you will enjoy this. If you are not capable of those things, please don't read it. You won't like it. It isn't meant to be taken srsly, so please don't act like it was. Hope they will release some more stories!!

GIV US DIS DAY OUR DALEE CHEEZBURGER. AND FURGIV US FOR MAKIN YU A COOKIE, BUT EATEDING IT. AND WE FURGIV WEN CATS STEEL OUR COOKIEZ. From the biblical languages of Greek and Hebrew to Latin and the King's English, the Bible has been translated into over 2000 languages. ADD ONE MORE.
